

New Grab-N-Go Modular Self-Service Kiosk System

For a modular kiosk system that is ready to grow when you are, look no further than to the new Carts of Colorado Grab-N-Go. This system of modular self-service components can be built using any combination of carts, creating a custom design to fit your unique needs.

Each Grab-N-Go modular component is designed with self-service in mind, and because they are mobile, they can be rearranged and even moved to maximize sales and profits.

Put your merchandise efforts to their best use. Identify high-traffic patterns, and move your Grab-N-Go Self-Service Kiosk System to your customer. It's that simple.

The Grab-N-Go Self-Service Kiosk System is perfect for all kinds of customers, including:

- Airports
- Hospitals
- Business & Industry
- Schools, Colleges and Universities
- Sports Stadiums and Arenas
- Contract Feeders
- Commissaries
- Fairs and Festivals
- Self-Operations
